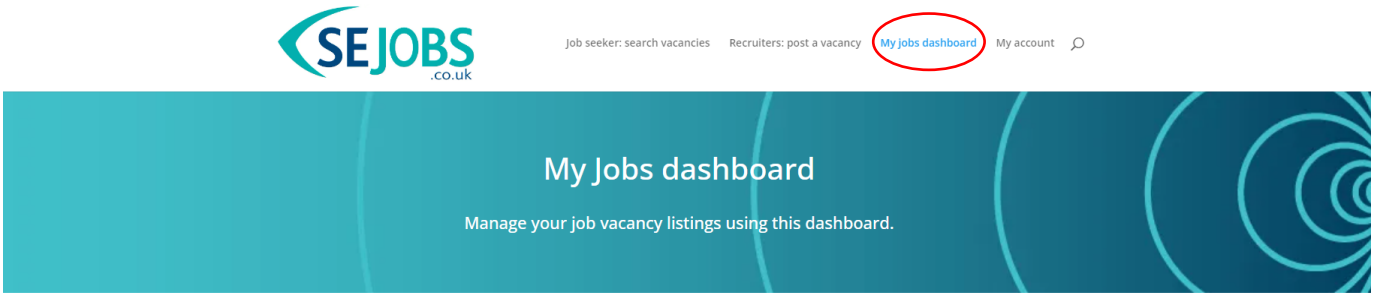
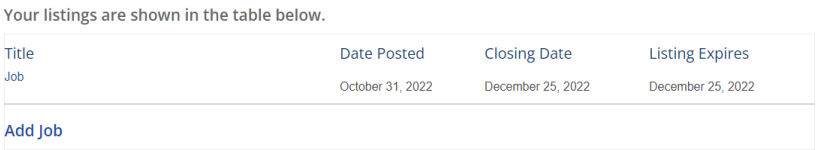
HOW TO EDIT YOUR LISTED JOB

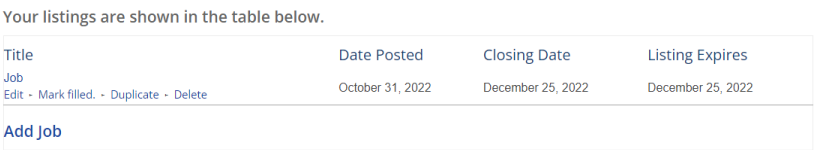
POST A VACANCY

Once your job is listed on the site you will receive an email.
You can find your listed and pending jobs under ‘My Job Dashboard’ on the header menu of the site.





To edit your listed job hover over the listing in your job list table



This will bring up a menu, including the option to edit your listing

Choose the edit option and this will take you through the job form to allow you to edit the information listed
